SUMMARY

Skillful and dedicated graphic designer versed in branding, campaign design, print production, advertising, email template design, and digital graphics. Self-motivated and looking to integrate into a design team where I can contribute my expertise and work collaboratively.

EXPERIENCE

Columbia University School of Professional Studies | Junior Designer
March 2016–August 2021

- Produced designs for various stakeholders as a member of the Creative Services team. Deliverables included: fliers, posters, brochures, stationary, presentations, print and digital advertisements, merchandise artwork, campaign identity, and email templates
- Developed graphics for social media to market program offerings and school-wide events
- Provided campaign designs for recruitment efforts encouraging prospective student enrollment
- Partnered with vendors to ensure asset file preparations were up to print and brand standards
- Generated client briefs and conducted presentations when assigned as lead designer

Amalgamated Bank | Graphic Design Intern
September 2014–June 2015

- Updated company-wide digital and print materials to newly acquired brand identity
- Styled print collateral including forms, applications, brochures, and signage for internal and branch location use
- Supported events by designing sponsorship ads, invitations, and display screen graphics

ELR Media Group | Graphic Design Intern
April 2014–June 2014

- Designed look books, social media posts, press kits, and advertisements for clients looking to promote their brand
- Created mock ups for retail store concepts

The Door | Graphic Arts Intern
September 2012–November 2012

- Taught graphic design basics to New York City youth in a computer lab setting
- Assisted youth with personal or instructed projects alongside fellow interns

AWARDS
